

Forman - Landscape Construction

PT Landscaping Inc. – Innisfil, ON

Job Description

Job Description

PT Landscaping is looking for an experienced Hardscape Artist that has designed and built landscape layouts and are ready to train others! This position directs the activities of a team of two or more in landscape construction projects including but not limited to: interlock patio's, walkways, retaining walls, drainage, landscape lighting, decks, fences and some irrigation.

Job Responsibilities:

- Manage the execution of construction projects, planning labor requirements, equipment requirements and material deliveries and timing to ensure completion of job(s) within project deadlines
- Manage safety, quality and productivity of work at sites and/or shop/yard
- Assist in the preparation of jobsites prior to the beginning of a project
- Delegate job tasks to appropriate crew members to assist in the completion of landscape constructions
- Operate various tools and equipment, including: heavy equipment, chainsaws, jackhammers, laser levels, measurement equipment, shovels, hammers, drills, etc.
- Assist in the construction of walkways, patios, garden walls, pools, fences, decks, etc.
- Perform preventative maintenance on tools and equipment by conducting inspections, lubricating, and cleaning on a daily basis
- Read and interpret blueprints, structural drawings, and specifications to delegate/complete work activities
- Meet with subcontractors and supervise quality, efficiency, and deadlines
- Complete and submit all required paperwork on a daily basis, including daily site meeting logs, crew daily forms, equipment daily inspection forms, attendance tracking, time and materials billing summaries, requests for time off, etc.
- Comply with all company policies and regulations
- Maintain and enforce standards of cleanliness and organization in assigned trucks, trailers, equipment, jobsites, and shop/yard areas
- Ensure that all work activities are carried out in a safe and efficient manner, and that all crew members are in compliance with government and company PPE standards
- Enforce and work in accordance with all local health and safety laws and regulations at shop/yard and on jobsites
- Employee training
- Communicate with customers in a polite and courteous manner

Qualifications:

- Minimum of 3 years' experience in the landscape/construction industry

- Capable of operating required equipment and tools in a safe and responsible manner
- Effective communication skills (both verbal and written)
- Ability to work under pressure and tight deadlines
- Time management skills
- Ability to read and interpret blueprints and specifications
- Must possess a valid driver's license and drive under company Licence
- Knowledge of specific materials, methods, tools and equipment required to complete various landscape/construction practices
- Speak, read, and write English
- Carry and use a smart phone or data-enabled device for communication and reporting

Core Capabilities:

- Customer and quality focus
- Effective communication skills (both verbal and written)
- Team work
- Excellent problem solving abilities
- Responsibility and dependability
- Ethics and integrity
